

## energySMART Rebate Terms & Conditions

### High Efficiency Furnace \$900 Rebate (92%+ AFUE)

Terms and Conditions: Rebate applies to residential customers of Elizabethtown Gas who have a current gas account in good standing and who are purchasing natural gas furnaces with an AFUE of at least 92% or higher, which serve as the primary heating system for the residence. Customer may choose to assign rebate payment to landlord or installing contractor. Furnaces purchased as part of a dual fuel HVAC system or heat pump do not qualify. The furnace must be purchased and installed between July 29, 2009, and December 31, 2011, and customer must have a home energy audit performed by a participating Building Performance Institute (BPI) certified contractor. Product installation must be completed in compliance with all applicable laws, regulations and building codes imposed by federal, state, and local authorities. Only one rebate offer per individual product purchased will be accepted. Online rebate claim must be submitted within 45 days of purchase or installation of qualifying product or before December 31, 2011, whichever comes first. Supporting documentation must be postmarked within 90 days of purchase or installation of qualifying product or before December 31, 2011, whichever comes first. Maximum annual rebate value per service address for all Elizabethtown Gas rebate promotions is \$4,400. Rebate can not be used for a product submitted for any other energySMART program or the New Jersey Home Performance with EnergyStar Tier 3 incentives offered through New Jersey's Clean Energy Program (NJCEP). Offer good for purchases for remodeling or renovation of pre-existing homes, condominiums or townhouses in the Elizabethtown Gas service territory only. Offer not valid for new construction. Employees of Elizabethtown Gas, dealers and retailers are eligible to participate in this offer so long as they meet all other criteria. Please allow at least eight weeks after your completed claim (including supporting documentation as required per offer) is received to receive your rebate. Rebates will be paid in U.S. dollars. Elizabethtown Gas is not responsible for lost, late, damaged, postage due, mis-delivered or misdirected mail and incomplete or illegible submissions. All entries become the property of AGL Resources. Elizabethtown Gas reserves the right to withdraw or terminate this offer at any time upon reasonable notice posted on our website at [www.elizabethtowngas.com](http://www.elizabethtowngas.com) or by informing our retail and dealer partners, and providing documentation that clearly communicates end dates for purchases. This program offer is otherwise valid through December 31, 2011, unless suspended by order of the New Jersey Board of Public Utilities (NJBPU), and while supplies and authorized funding is available. You must provide all the information requested in the online submission form and deliver supporting documentation as required in order to be eligible, including a copy of proof of purchase (receipt or invoice), proof of customer consent to these terms and conditions and assignment of rebate payment (if customer has elected to assign rebate payment to landlord or installing contractor), proof of installation (i.e. work order, receipt, or supporting documents), and proof of completed home energy audit. Incomplete entries will not be processed and will not be returned. Elizabethtown Gas reserves the right to substantiate sales receipts, serial numbers and installation information, and to request additional documentation. Physical inspection for verification of claims may be required. Products may not be returned for full purchase price once the rebate has been fulfilled. Rebates shall be fulfilled via a check, in which event rebate offer expires for this submission if rebate check is not cashed within 90 days of check date. By submitting a claim, you consent to our collection, use and disclosure of the information contained in it, together with any information you may subsequently provide to us, to any person or entity for the purpose of processing this form or responding to your requests and for internal business purposes in accordance with our privacy policy. Our use of your information is governed by our privacy policy that can be found at [www.elizabethtowngas.com](http://www.elizabethtowngas.com). If multiple purchases that qualify for energySMART offers are on the same receipt, please include online summary form printouts and supporting documentation for each offer in one envelope, and circle the product and purchase price on the sales receipt. To check the status of your rebate, go to [www.elizabethtowngas.com/energysmart](http://www.elizabethtowngas.com/energysmart) or call 877-737-2477. Elizabethtown Gas is in no way responsible for the installation, quality of installation, or quality of natural gas appliance(s) for which you submit a rebate claim under the energySMART program. Any concerns regarding installation should be directed to your installer, and any concerns regarding natural gas appliances or equipment should be directed to the manufacturer. Keep a copy of your submission for future reference. Rebate claims may only be submitted by individuals above the age of majority in the State of New Jersey. Offer void where prohibited by law.

**Additional Terms and Conditions for Rebate Payments Assigned to Installing Contractors or Landlords:** The installing contractor may qualify for assignment of your rebate payment only if such contractor offers at least the rebate amount as a discount on the customer's invoice. You may assign your rebate payment to your landlord or the installing contractor if you agree in writing to assign the rebate to contractor or landlord, as applicable, and to accept these rebate terms and conditions, you are a qualifying Elizabethtown Gas customer and all other terms and conditions are fulfilled hereunder. Only one rebate payment per appliance - either to the customer or the landlord or installing contractor, as applicable, but not to both - will be made. You are solely responsible for all arrangements, contracts and agreements with the landlord or installing contractor, as applicable. Upon a rebate payment assignment in compliance with these terms and conditions, Elizabethtown Gas's sole responsibility will be to issue a rebate check to the landlord or installing contractor, as applicable, at the address included in your submission. You agree that you will remain subject to these terms and conditions and responsible for your rebate submission at all times.

### High Efficiency Furnace with ECM \$900 Rebate (92%+ AFUE with commutated motor (ECM) or equivalent)

Terms and Conditions: Rebate applies to residential customers of Elizabethtown Gas who have a current gas account in good standing and who are purchasing natural gas furnaces with a commutated motor (ECM) or equivalent with an AFUE of at least 92% or higher, which serve as the primary heating system for the residence. Customer may choose to assign rebate to landlord or installing contractor.

Furnaces purchased as part of a dual fuel HVAC system or heat pump do not qualify. The furnace must be purchased and installed between July 29, 2009 and December 31, 2011 and customer must have a home energy audit performed by a participating Building Performance Institute (BPI) certified contractor. Product installation must be completed in compliance with all applicable laws, regulations and building codes imposed by federal, state, and local authorities. Only one rebate offer per individual product purchased will be accepted. Online rebate claim must be submitted within 45 days of purchase or installation of qualifying product or before December 31, 2011, whichever comes first. Supporting documentation must be postmarked within 90 days of purchase or installation of qualifying product or before December 31, 2011, whichever comes first. Maximum annual rebate value per service address for all Elizabethtown Gas rebate promotions is \$4,400. Rebate can not be used for a product submitted for any other energySMART program or the New Jersey Home Performance with EnergyStar Tier 3 incentives offered through New Jersey's Clean Energy Program (NJCEP). Offer good for purchases for remodeling or renovation of pre-existing homes, condominiums or townhouses in the Elizabethtown Gas service territory only. Offer not valid for new construction. Employees of Elizabethtown Gas, dealers and retailers are eligible to participate in this offer so long as they meet all other criteria. Please allow at least eight weeks after your completed claim (including supporting documentation as required per offer) is received to receive your rebate. Rebates will be paid in U.S. dollars. Elizabethtown Gas is not responsible for lost, late, damaged, postage due, mis-delivered or misdirected mail and incomplete or illegible submissions. All entries become the property of AGL Resources. Elizabethtown Gas reserves the right to withdraw or terminate this offer at any time upon reasonable notice posted on our website at [www.elizabethtowngas.com](http://www.elizabethtowngas.com) or by informing our retail and dealer partners, and providing documentation that clearly communicates end dates for purchases. This program offer is otherwise valid through December 31, 2011 unless suspended by order of the New Jersey Board of Public Utilities (NJBPU), and while supplies and authorized funding is available. You must provide all the information requested in the online submission form and deliver supporting documentation as required in order to be eligible, including a copy of proof of purchase (receipt or invoice), proof of customer consent to these terms and conditions and assignment of rebate payment (if customer has elected to assign rebate payment to landlord or installing contractor), proof of installation (i.e. work order, receipt, or supporting documents), and proof of completed home energy audit. Incomplete entries will not be processed and will not be returned. Elizabethtown Gas reserves the right to substantiate sales receipts, serial numbers and installation information, and to request additional documentation. Physical inspection for verification of claims may be required. Products may not be returned for full purchase price once the rebate has been fulfilled. Rebates shall be fulfilled via a check, in which event rebate offer expires for this submission if rebate check is not cashed within 90 days of check date. By submitting a claim, you consent to our collection, use and disclosure of the information contained in it, together with any information you may subsequently provide to us, to any person or entity for the purpose of processing this form or responding to your requests and for internal business purposes in accordance with our privacy policy. Our use of your information is governed by our privacy policy that can be found at [www.elizabethtowngas.com](http://www.elizabethtowngas.com). If multiple purchases that qualify for energySMART offers are on the same receipt, please include online summary form printouts and supporting documentation for each offer in one envelope, and circle the product and purchase price on the sales receipt. To check the status of your rebate, go to [www.elizabethtowngas.com/energysmart](http://www.elizabethtowngas.com/energysmart) or call 877-737-2477. Elizabethtown Gas is in no way responsible for the installation, quality of installation, or quality of natural gas appliance(s) for which you submit a rebate claim under the energySMART program. Any concerns regarding installation should be directed to your installer, and any concerns regarding natural gas appliances or equipment should be directed to the manufacturer. Keep a copy of your submission for future reference. Rebate claims may only be submitted by individuals above the age of majority in the State of New Jersey. Offer void where prohibited by law. **Additional Terms and Conditions for Rebate Payments Assigned to Installing Contractors or Landlords:** The installing contractor may qualify for assignment of your rebate payment only if such contractor offers at least the rebate amount as a discount on the customer's invoice. You may assign your rebate payment to your landlord or the installing contractor if you agree in writing to assign the rebate to contractor or landlord, as applicable, and to accept these rebate terms and conditions, you are a qualifying Elizabethtown Gas customer and all other terms and conditions are fulfilled hereunder. Only one rebate payment per appliance - either to the customer or the landlord or installing contractor, as applicable, but not to both - will be made. You are solely responsible for all arrangements, contracts and agreements with the landlord or installing contractor, as applicable. Upon a rebate payment assignment in compliance with these terms and conditions, Elizabethtown Gas's sole responsibility will be to issue a rebate check to the landlord or installing contractor, as applicable, at the address included in your submission. You agree that you will remain subject to these terms and conditions and responsible for your rebate submission at all times.

### **Natural Gas Boiler \$900 Rebate (85%+ AFUE)**

Terms and Conditions: Rebate applies to residential customers of Elizabethtown Gas who have a current gas account in good standing and who are purchasing natural gas boilers with an AFUE of at least 85% or higher, which serve as the primary heating system for the residence. Customer may choose to assign rebate to landlord or installing contractor. Boilers purchased as part of a dual fuel HVAC system or heat pump do not qualify. The boilers must be purchased and installed between July 29, 2009, and December 31, 2011 and customer must have a home energy audit performed by a participating Building Performance Institute (BPI) certified contractor. Product installation must be completed in compliance with all applicable laws, regulations and building codes imposed by federal, state, and local authorities. Only one rebate offer per individual product purchased will be accepted. Online rebate claim must be submitted within 45 days of purchase or installation of qualifying product or before December 31, 2011, whichever comes first. Supporting documentation must be postmarked within 90 days of purchase or installation of qualifying product or before December 31, 2011, whichever comes first. Maximum annual rebate value per service address for all Elizabethtown Gas rebate promotions is \$4,400. Rebate can not be used for a product submitted for any other energySMART program or the New Jersey Home Performance with EnergyStar Tier 3 incentives offered through New Jersey's Clean Energy Program (NJCEP). Offer good for purchases for remodeling or renovation of pre-existing homes, condominiums or townhouses in the Elizabethtown Gas service territory only. Offer not valid for new construction. Employees of Elizabethtown Gas, dealers and retailers are eligible to participate in this offer so long as they meet all other criteria. Please allow

at least eight weeks after your completed claim (including supporting documentation as required per offer) is received to receive your rebate. Rebates will be paid in U.S. dollars. Elizabethtown Gas is not responsible for lost, late, damaged, postage due, mis-delivered or misdirected mail and incomplete or illegible submissions. All entries become the property of AGL Resources. Elizabethtown Gas reserves the right to withdraw or terminate this offer at any time upon reasonable notice posted on our website at [www.elizabethtowngas.com](http://www.elizabethtowngas.com) or by informing our retail and dealer partners, and providing documentation that clearly communicates end dates for purchases. This program offer is otherwise valid through December 31, 2011 unless suspended by order of the New Jersey Board of Public Utilities (NJBP), and while supplies and authorized funding is available. You must provide all the information requested in the online submission form and deliver supporting documentation as required in order to be eligible, including a copy of proof of purchase (receipt or invoice), proof of customer consent to these terms and conditions and assignment of rebate payment (if customer has elected to assign rebate payment to landlord or installing contractor), proof of installation (i.e. work order, receipt, or supporting documents), and proof of completed home energy audit. Incomplete entries will not be processed and will not be returned. Elizabethtown Gas reserves the right to substantiate sales receipts, serial numbers and installation information, and to request additional documentation. Physical inspection for verification of claims may be required. Products may not be returned for full purchase price once the rebate has been fulfilled. Rebates shall be fulfilled via a check, in which event rebate offer expires for this submission if rebate check is not cashed within 90 days of check date. By submitting a claim, you consent to our collection, use and disclosure of the information contained in it, together with any information you may subsequently provide to us, to any person or entity for the purpose of processing this form or responding to your requests and for internal business purposes in accordance with our privacy policy. Our use of your information is governed by our privacy policy that can be found at [www.elizabethtowngas.com](http://www.elizabethtowngas.com). If multiple purchases that qualify for energySMART offers are on the same receipt, please include online summary form printouts and supporting documentation for each offer in one envelope, and circle the product and purchase price on the sales receipt. To check the status of your rebate, go to [www.elizabethtowngas.com/energysmart](http://www.elizabethtowngas.com/energysmart) or call 877-737-2477. Elizabethtown Gas is in no way responsible for the installation, quality of installation, or quality of natural gas appliance(s) for which you submit a rebate claim under the energySMART program. Any concerns regarding installation should be directed to your installer, and any concerns regarding natural gas appliances or equipment should be directed to the manufacturer. Keep a copy of your submission for future reference. Rebate claims may only be submitted by individuals above the age of majority in the State of New Jersey. Offer void where prohibited by law. **Additional Terms and Conditions for Rebate Payments Assigned to Installing Contractors or Landlords:** The installing contractor may qualify for assignment of your rebate payment only if such contractor offers at least the rebate amount as a discount on the customer's invoice. You may assign your rebate payment to your landlord or the installing contractor if you agree in writing to assign the rebate to contractor or landlord, as applicable, and to accept these rebate terms and conditions, you are a qualifying Elizabethtown Gas customer and all other terms and conditions are fulfilled hereunder. ---

fulfilled hereunder. Only one rebate payment per appliance - either to the customer or the landlord or installing contractor, as applicable, but not to both - will be made. You are solely responsible for all arrangements, contracts and agreements with the landlord or installing contractor, as applicable. Upon a rebate payment assignment in compliance with these terms and conditions, Elizabethtown Gas's sole responsibility will be to issue a rebate check to the landlord or installing contractor, as applicable, at the address included in your submission. You agree that you will remain subject to these terms and conditions and responsible for your rebate submission at all times.

### **Free Programmable Thermostat**

Terms and Conditions: Free Programmable Thermostat offer applies to residential customers of Elizabethtown Gas who have a current gas account in good standing, who have natural gas furnaces or boilers as the primary heating system for their residence, and have a home energy audit performed by a participating Building Performance Institute (BPI) certified contractor. Furnaces or boilers which are part of a dual fuel HVAC system or heat pump do not qualify. Offer good until December 31, 2011 and while supplies last. Limit one free programmable thermostat per service address per year. Offer good for thermostats as part of systems in pre-existing homes, condominiums or townhouses in the Elizabethtown Gas service territory only. Offer not valid for new construction. Employees of Elizabethtown Gas, dealers and retailers are eligible to participate in these offers so long as they meet all other criteria. Elizabethtown Gas is not responsible for lost, late, damaged, postage due, mis-delivered or misdirected mail and incomplete or illegible submissions. All entries become the property of AGL Resources. Please allow at least eight weeks after your online submission is complete to receive your programmable thermostat. Thermostat will be shipped USPS or UPS and Elizabethtown Gas is not responsible for lost, late, damaged, misdelivered or misdirected mail. Elizabethtown Gas reserves the right to withdraw or terminate this offer at any time upon reasonable notice posted on our website at [www.elizabethtowngas.com](http://www.elizabethtowngas.com) or by informing our retail and dealer partners, and providing documentation that clearly communicates end dates. This program offer is otherwise valid through December 31, 2011 unless suspended by order of the New Jersey Board of Public Utilities (NJBPU), and while supplies and authorized funding is available. You must provide all the information requested in the online submission form and deliver supporting documentation as required in order to be eligible, including proof of completed home energy audit. Incomplete entries will not be processed and will not be returned. Product may not be returned or sold for profit or otherwise. By submitting a claim, you consent to our collection, use and disclosure of the information contained in it, together with any information you may subsequently provide to us, to any person or entity for the purpose of processing this form or responding to your requests and for internal business purposes in accordance with our privacy policy. Our use of your information is governed by our privacy policy that can be found at [www.elizabethtowngas.com](http://www.elizabethtowngas.com). To check the status of your request, go to [www.elizabethtowngas.com/energysmart](http://www.elizabethtowngas.com/energysmart) or call 877-737-2477. Elizabethtown Gas is in no way responsible for the thermostat, subsequent installation or quality of installation. You should follow all manufacturer instructions and review all information provided by the manufacturer, White-Rodgers. Any concerns regarding the thermostat should be directed to White-Rodgers and questions regarding installation should be directed to your installer. Keep a copy of your submission for future reference. Requests for free thermostats may only be submitted by individuals above the age of majority in the State of New Jersey. Offer void where prohibited by law.

### **Free Weatherization Kit**

Terms and Conditions: Free Weatherization Kit offer applies to residential customers of Elizabethtown Gas who have a current gas account in good standing, who have natural gas furnaces or boilers as the primary heating system for their residence, and have a home energy audit performed by a participating Building Performance Institute (BPI) certified contractor. Furnaces or boilers which are part of a dual fuel HVAC system or heat pump do not qualify. Offer good until December 31, 2011 and while supplies last. Limit one free weatherization kit per service address per year. Offer good for weatherization kits as part of systems in pre-existing homes, condominiums or townhouses in the Elizabethtown Gas service territory only. Offer not valid for new construction. Employees of Elizabethtown Gas, dealers and retailers are eligible to participate in these offers so long as they meet all other criteria. Elizabethtown Gas is not responsible for lost, late, damaged, postage due, mis-delivered or misdirected mail and incomplete or illegible submissions. All entries become the property of AGL Resources. Please allow at least eight weeks after your online submission is complete to receive your weatherization kit. Weatherization Kit will be shipped USPS or UPS and Elizabethtown Gas is not responsible for lost, late, damaged, misdelivered or misdirected mail. Elizabethtown Gas reserves the right to withdraw or terminate this offer at any time upon reasonable notice posted on our website at [www.elizabethtowngas.com](http://www.elizabethtowngas.com) or by informing our retail and dealer partners, and providing documentation that clearly communicates end dates. This program offer is otherwise valid through December 31, 2011 unless suspended by order of the New Jersey Board of Public Utilities (NJBPU), and while supplies and authorized funding is available. You must provide all the information requested in the online submission form and deliver supporting documentation as required in order to be eligible, including proof of completed home energy audit. Incomplete entries will not be processed and will not be returned. Product may not be returned or sold for profit or otherwise. By submitting a claim, you consent to our collection, use and disclosure of the information contained in it, together with any information you may subsequently provide to us, to any person or entity for the purpose of processing this form or responding to your requests and for internal business purposes in accordance with our privacy policy. Our use of your information is governed by our privacy policy that can be found at [www.elizabethtowngas.com](http://www.elizabethtowngas.com). To check the status of your request, go to [www.elizabethtowngas.com/energysmart](http://www.elizabethtowngas.com/energysmart) or call 877-737-2477. Elizabethtown Gas is in no way responsible for the weatherization kit, subsequent installation or quality of installation of any of the included items, or use of any of the included items. You should follow all manufacturer instructions and review all information provided by the manufacturer. Any concerns regarding the included items should be directed to the applicable manufacturer and questions regarding installation should be directed to your installer. Keep a copy of your submission for future reference. Requests for free weatherization kits may only be submitted by individuals above the age of majority in the State of New Jersey. Offer void where prohibited by law.
