† Effective March 1, 2019. Restrictions apply. See elizabethtowngas.com/energyefficiency for terms and conditions and njcleanenergy.com for WARMAdvantage details.

High-Efficiency Equipment Rebates

Our rebates are an enhancement to WARMAdvantage rebates from New Jersey's Clean Energy Program (NJCEP) for the purchase and installation of high-efficiency natural gas equipment. That means getting your Elizabethtown Gas rebate is as easy as it gets: once you apply for your NJCEP WARMAdvantage rebate, we check if you're eligible for a rebate from us. If you are, we send you a rebate check automatically - no second application needed.

Together, Elizabethtown Gas and New Jersey's Clean Energy Program can help you save money with rebates and realize on-going savings from lower energy bills with highefficiency equipment.

Follow Three Simple Steps to Receive Your Rebate:

1. Find a qualified contractor

- Visit elizabethtowngas.com/energyefficiency to find a qualified contractor

2. Purchase and install

- Read our Terms and Conditions prior to purchasing your equipment
- Hire a qualified contractor to perform the installation

3. Apply for your rebates

- Visit njcleanenergy.com/rebates to submit an online WARMAdvantage rebate form
- If your WARMAdvantage application is approved, NJCEP will notify us and we will process your Elizabethtown Gas rebate automatically
- Allow 8 to 12 weeks for rebate processing
